OKLAHOMA SOLONS DEFEND HASKELL IN RESOLUTION.

Confidence in Executive Unshaken Because of Indictment, They Declare.

Guthrie, Ok., Feb. 4.—Both houses of the Oklahoma Legislature came together in Governor Haskell's defense today, by adopting resolutions of confidence in him. The House resolution was offered by ballots, and adopted without debate by a strict party vote.

An identical resolution was offered later in the Senate by Senator Smith as a substitute for another resolution offered earlier in the day, which declared the "Roosevelt-Hearst combination" had induced the Grand Jury to return indictments against Governor Haskell, and it charged "the pretended investigation was instigated for the sole purpose of black-mailing our Chief Executive."

A BIT OF ADVICE

First-Don't Delay. Second-Don't Experiment.

If you suffer from backache; headache or dizzy spells; if you rest poorly and are languid in the morning; if the kidney secretions are irregular and un-natural in appearance, do not delay. The kidneys are calling for help. Slight symptoms of kidney trouble are fore-runners of more serious complaints. They should be given attention before it is too late.

Doan's Kidney Pills cure kidneys. They are recommended by thousands. Can Monett residents desire more proof than the statement of a Monett citizen who says that the cure Doan's Kidney Pills effected years ago has proven permanent?

James T. Bowman, Marshal Hill, Monett, Mo., says: "Kidney complaint made me miserable for at least two years, being brought by exposure to all kinds of weather. Whenever I caught cold it settled in my kidneys, causing my back to ache and the kidney secretions pass too frequently. When Doan's kidney Pills were suggested to me as a cure for the trouble, I procured a supply at Knapp's drug store and they entirely relieved me and strengthened my kidneys."

The above statement was given in December 1906 and on December 9, 1908 Mr. Bowman added: "Doan's Kidney Pills still have my highest endorsement. This remedy has been so beneficial to me that I have been convinced of its great merit in cases of kidney trouble."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Mr. and Mrs. O. W. Bruton arrived in Monett yesterday and will again make this city their home. They have sold their California property. Their many friends give them a hearty welcome.

If your Stomach, Heart or Kidneys are weak, try at least a few doses only of Dr. Shoop's Restorative. In five or ten days only, the result will surprise you. A few cents will cover the cost. And here is why help comes so quickly: Dr. Shoop doesn't drug the stomach, nor stimulate the heart or kidneys. Dr. Shoop's Restorative goes directly to the weak and failing nerves. Each organ has its own controlling nerve. When these nerves fail, the depending organs must of necessity falter. This plain vital truth, clearly tells why Dr. Shoop's Restorative is so universally successful. Its success is leading druggists everywhere to give it universal preference. A test will surely tell. Sold by all dealers.

County Collector Davidson of Cassville, is in the city today looking after business connected with his office.

Joplin, Mo. — This is to certify I have used less than one bottle of Hall's Texas Wonder for kidney bladder and rheumatic troubles, and it acted like a charm in my case and I have not suffered with my back since using it, and I can cheerfully recommend it.

Orders Given To Raze Historic Old Church

Mexico City, Feb. 4. — Under an order of President Diaz the church of San Juan De La Penitencia, one of his historic landmarks of Mexico City will be torn down. It was erected by friars shortly after the conquest of Mexico and was converted into a nunnery in 1593. There is a legend that during an earthquake shortly after the erection of the church the wooden image of the child Christ raised its arms and stayed the fall of the edifice.
